Profile of organiser

Cambridge Wireless (CW) - www.cambridgewireless.co.uk

Cambridge Wireless (CW) is a global not-for-profit membership organisation at the forefront of innovation in connectivity and digital technology. Since 2000, CW has united industry leaders across connected devices, networks, software, data analytics, telecoms, satellites, and more. CW exists to champion and connect the global connectivity and digital technology community. We bring our members together to foster innovation, enable collaboration, and provide opportunities for continuous learning and professional growth. From flagship conferences and Special Interest Groups (SIGs) to networking events, strategic innovation projects, and skills development, our programmes create valuable opportunities for members. With headquarters at the heart of Cambridge, UK, CW partners with other international industry clusters and organisations to extend its reach and remain at the forefront of global developments and business opportunities. www.cambridgewireless.co.uk

Profile of host

The Bradfield Centre - www.bradfieldcentre.com

The Bradfield Centre's facilities are designed to accelerate businesses to new levels. The aim is to attract smart, ambitious, like-minded entrepreneurs and companies from both Cambridge and around the world; co-locate them in scalable, state-of-the-art facilities; immerse them in a collaborative, entrepreneurial culture; and connect them to investors, partners, mentors, advisers and potential customers.
